Dandruff Surely

Destroys The Hair

Girls—if you want plenty of thick beautiful, glossy, silky hair do by all imeans get rid of dandruff, for it will starve your hair and ruin it if you don't.

It doesn't do much good to try to brush or wasn't out. The only sure way to get rid of dandruff is to dissolve it, then you destroy it entirely. To do this, get about four ounces or ordinary liquid arvon; apply it at night when retiring; use enough to meetily with the finger tips.

By morning most if not all, of your dandruff will be gone, and three or four more applications will remove the find the finger tips.

Standard of Demonstration 50 to 500 Miles-or More

THIS will be of interest to the man or woman I who has not decided the whole automobile question in advance.

Of interest to the person who notes that the Franklin sold twice as fast as the industry in general in 1921.

Of interest to the person who is looking for the greatest motoring comfort, economy and freedom from trouble.

Of interest to the person who has seen Franklins rapidly increasing all over the country, has observed the enthusiasm of owners, but has never had a chance to know all about the car.

This demonstration tells a story it will pay you to know-about all cars.
